Dear Joan - I never got to meet Kaj but I remember very well the day that news of his successful transplant spread around BCTV. How wonderful that he was able to enjoy 20+ more years with you because of it. My thoughts are with you.

So sad to hear about your loss. We have known each other for over 30 years and you folks are like family to me. You and Kaj have always been a good host to many after-work gatherings and (schnapps) parties at your house in Coquitlam. His welcoming smile and generosity are the fond memories I will never forget.

Dearest Joan and Family,

We were so saddened to hear of the passing of Kai. It feels like yesterday that we were visiting him in the hospital after his transplant. How amazing was that and the new wonderful life it gave him.

Thinking of you. Lots of love
