Tribute from Eileen Varga

Relation: Friend

I was on the Elks Golden Villa board and was very proud to have served alongside Larry. He was the true meaning of a friend, helper and a real gentleman. My sincere condolences to all of the family. He will be sorely missed. RIP Larry

Tribute from Judy Dallas

Relation: Coworker for 22 years and friend for 33 years.

I had the pleasure of working with Larry at the Elks Golden Villa for 22 years. Could not have asked for a better coworker - one who had the interest of the residents first and foremost ensuring things were done to ensure they felt "at home" there. Always one for being ahead of the game, his ideas were incredible! All who knew Larry would be made to feel at ease, would enjoy his sense of humour, and his honesty above all else. We will all have wonderful memories to look back on - he was truly "one of a kind" and it was a pleasure to count him as a friend. Hang up the toolbelt, Good Friend.

Tribute from David Brunet

Relation: Nephew

Larry was a special uncle growing up and I have fond memories of the whole family. There is a hole in my heart.

Tribute from Denise Young

Relation: Co-workers

I have worked with Larry since 2012 and his passing has left many broken hearts around the Elks Golden Villa. He was not only the maintenance man but a good friend to many! He will truly be missed! No more valves to open my friend!
