Relation: Friend

Thinking of all of you during this very difficult time Matt, Tyson, Mathew Jr. and Cruz. There are no words to express how sorry I am after hearing of Laura's passing. She will be missed by all of those who knew and loved her. Her spirit will live on in all of her boys whom she loved so so much. She was a beautiful person inside and out. So kind and caring and so comforting to all. I remember sitting in her chair at her salon on Main street and being able to share anything with her and knew that she would never judge me. I will forever miss her welcoming smile and her beautiful laugh. Gone way too soon but never forgotten. Think of all of your wonderful moments and cherish them forever. We were all blessed to know her. She will always be in your hearts. My deepest condolences to all of you. Thoughts and Prayers. xoxo

Tribute from Precious Moments

Laura you were so kind generous and sweet
You would light of the lives of everyone you would meet
Your children you loved so much are now without a monther

They will never forget you, you will be with them forever
Within their souls they will have dreams of the happy days
They spent with their mother, now so far away
I hope in heaven you will be watching down at this painful time
As we all say goodbye and let your soul shine
It’s hard to let go but we must be strong
The struggle is over Laura
Let us all carry on
RIP Laura

Heartfelt condolences to Laura's family and friends and hugs to her children. I only knew Laura briefly in highschool, but remember her kindness to me at a difficult time, and how she made me laugh. Rest in peace, beautiful lady.

Tribute from Kim (Lock) Rayner

Relation: High school friend

I can not believe I am reading this correctly and that Laura has been taken to heaven. I am a high school friend from many, many years ago who will always remember her hilarious, outgoing, genuine personality. Facebook reconnected us and provided me with a tiny glimpse into her life. Reading her posts about the littlest boys and their daily antics always, always brought a smile to my face, and often a belly laugh too. I feel deeply for those who are left to mourn her loss. The world will definitely be dimmer without her in it.
