Tribute from Yvonne McKenna (nee Gamble)

Relation: Best friends in elementary school

I was so sorry to hear about Leah. She and I were good friends in Oliver in elementary and high school and I have many happy memories of sleep-overs, riding her horses and yes - running in her orchards, though she was always much faster than I was. My heart-felt prayers and thoughts go out to her family and friends.

Tribute from todd healy

Relation: 2nd cousin

i remember when we were young, my family would come down to Oliver to visit uncle Abe, Aunt Agatha, and Leah, we always had a blast raiding the cherry trees, running through their orchards, and playing monopoly until the wee hours of the morning while our parents would party in the kitchen, always loved swimming in their pool.

I am really sad to hear of the passing of Leah, i will always remember her as beautiful person.
