### **Tribute from Paul and Barbara Eby**

Relation: Longtime Friends

We were so sorry to hear of Leo's and Roma's passing. They were both very dear to us. We treasure a quilt Roma made for us and of course Leo's hand-carved signs hang proudly at our home. Most of all we will remember them walking hand in hand wherever they went. Our condolences to the whole family.

### **Tribute from Mike and Denise Schiffer**

Relation: Friends of Dad and Mom's.

Leo and Roma were such a friendly, kind couple. We enjoyed hearing stories when they got together with Dad. Dad always looked forward to his visits with the Pedersen and Silbernagels. Many condolences.

### **Tribute from Nieves and Greg Windley-Smith**

Relation: Family friend

Greg and I were so fortunate to get to know you Mr. Petersen when you live near us. I always admired your dedication to stay healthy, and stay fit by going for your regular walks everyday. You never failed to stop and chat with me whenever you saw me outside working on any of your walks. I sure miss those days. The best memories I have of you is when Audrey and I came to visit you and your wife in Sunny Bank. You were holding your wife's hands and just enjoying your time together and so content. Rest in Peace with your wife in paradise. You are both forever in our hearts. Our deepest condolences to you Audrey, Mark and to your whole family.

Hi Audrey and Family

we are a little slow and just found out about Leo and Roma. We have known them for many years and always enjoyed hearing about their ventures.

They were wonderful volunteers for IBHS and always had something to giggle about.

They house/dog sat for us on when we went on one of volunteer ventures and it was good to come back with the house in better shape than when we left. They were always kind and helpful and will be missed by the community and their many friends.
