I will miss Lila so much.....there are three things I know for sure about Lila

-You never wondered where you stood with her....she was always honest, fair and open about her feelings.....no head games here.

-Even with her long battle with cancer she always considered herself lucky.....
-Her children and family were the most important things in her life.
She was a person who lived who she was and we loved and will always appreciate this.
Our deepest sympathies to her family and friends...she was a one fo a kind incredible woman and we
are all better off for having known her. Rest in Peace Lila.

Tribute from pascal and Daniele madevon

Relation: clients

Dear John,

Pascal and I will never, never forget the warmfull smile and kindness of Lila (a french name for those

delicate purple and white flowers that are blossoming now)

We moved 7 years ago, and I want you to know that very few people in business demonstrated such a great service for an emigrant family.

Que Dieu garde Lila dans sa tendresse en attendant vos retrouvailles à jamais.

With our deep and sincere sympathy
