**Tribute from Heather Frank**

Relation: Friend

How very sad to hear of Margaret Green's passing. Her steadfast presence and participation in the life and work of the Oliver United Church will be greatly missed. Her gentle manner touched all aspects of the church. Her commitment to family, friends and community provided a role model for us all. Margaret's was a life well lived and loved.

**Tribute from Celia (Fontinha) Thomas**

Relation: Former neighbour

Our sincere condolences to you, Julie and Cyndy, and to your families.  
There is never a 'good' time to lose a beloved family member, but during these months of pandemic, and just before Christmas, must be even more devastating.  
Roger and I have fond memories of your mom, her considerate, gracious ways, her composure and her uplifting conversation.

**Tribute from Gail Barriskill**

Relation: Friend

I'm saddened to hear of Margaret's passing, I have always enjoyed seeing and chatting with her, such an amazingly kind woman who gave of herself generously. I have fond memories of her at Job's Daughters events and meetings, and over the years at Dr Ng's. I will miss her flair for life, such a stylish lady!

**Tribute from Maria Fontinha**

Relation: Next Door Neighbour for 52 years

Mrs. Green was a wonderful neighbour and friend to our family, making us feel welcome in the neighbourhood from the time we first moved there 52 years ago. She was very supportive when my husband passed away, consoling me over cups of tea when I needed it most. Even since I moved away a few years ago we've regularly kept in touch; I'll dearly miss our phone conversations.

Our heartfelt condolences to Julie, Cyndy and their families, from the Fontinha family.

Relation: Friends

When our children were young they spent nearly every Sunday in the church basement helping Margaret in the kitchen. She made them feel loved and valued, and for that we will be forever grateful. Our thoughts and prayers are with her family.

**Tribute from Rob & Rilla Carlson**

Relation: Family friend.

So sorry to hear the sad news. Margaret (and Harry) will always have a special place in my heart. They were part of the wonderful community in which I grew up. Lots of great memories: Freshie, cookies, laughter, games, good old fashioned fun, as we awaited our first crops of fruit on Black Sage. A petite woman with a huge presence, she will be sorely missed.
