Margaret, I am saddened you have left this Earth. You were a fun person, and will have left a hole in your family. Thank you for the delicious blueberry muffins you made for Lucio's Birthday. I will remember you as a determined individual, who did not suffer fools gladly. I am glad that I met you. Condolence to your lovely family. Katie & Lucio

Tribute from Christine and Randy Doraty

Our sincere condolences to Margaret's family. Margaret was just a beautiful lady inside and out. She was so giving and very kind. We will miss her,

Tribute from Joanne Stover

Relation: Colleague and friend

Margaret has been our good friend since we moved to Churchill in 1987. We've built many memories together over the years, far too many to write here, but will be cherished forever. She loved her family fiercely and although we weren't related through blood, she made us feel like we were a part of that family. We'll all miss her dearly. Until we meet again ...

The Stover Family

Tribute from Irene Davie

Relation: My Mother Leola Langlois, was Margaret's Aunt, and I am her cousin.

A heart can never be prepared for such a loss, by losing a beloved family member for sure! I knew Margaret as a caring person, super smart, and also a fabulous Piano player! She had many attributes that were very entertaining when needed! It was great to see her when our Langlois relatives got together to celebrate at family gatherings! She will be missed by everyone who knew her during her life on Earth! She will be dancing in Heaven with her husband Peter, whom she missed dearly! "Together Again"!

Tribute from Alan Johnson

We would like to extend our sincere condolences to the Langlois family members during this time of great sorrow in the loss of Margaret. She will be missed and will be fondly remembered by all. We wish you all our prayers during default time.

Sincerely ,

Alan, Deb, Lenore Johnson & family
