**Tribute from Judy Dallas**

Relation: Knew Mario through his tree pruning work.

Although I never had the pleasure of meeting you, I know what a great treasure you were to your husband. He would talk about you with such love in his voice and face. You are now at Peace with the angels, and it is your time to rest. My sympathies to the family. I miss seeing Mario doing my apricot and apple tree pruning!!

Relation: Maria (and Mario) provided childcare for our daughter

We were deeply saddened to hear of Maria's passing. Maria was a wonderful babysitter to our daughter, Jordyn. She created a safe, loving place where Jordyn always felt cared for and valued. Her humour, reliability, and kindness made a lasting impact on our family. Maria treated Jordyn as if she were her own daughter and spoiled her with love and attention. We will always be grateful for the care, warmth, and joy she brought into our lives. Our sincere condolences to all who loved her. She will be dearly missed.

Relation: Neighbor

I will always remember Maria with such warmth and gratitude. Growing up, she was more than a neighbour to me — she was a kind, caring presence in my childhood, and someone who made me feel safe, looked after, and welcome.

It is a rare and beautiful thing to be remembered by a child as someone who cared. Maria was that person for me, and I will carry those memories with great fondness.

Please accept my deepest condolences. I am thinking of your family and sending love during this difficult time.
