I was sad to read about Maria passing, I spent many Halloween evenings visiting her and Michelle and Gus , solving world problems. I believe every October 31 I will have a fond memory of your mom and grandmother. I always enjoyed our talks.

We are very sad to hear about "Mary's " passing. She was our neighbour on Walsh Street in Terrace. She loved picking the fresh beans through our shared fence. We miss her. Our condolences to your family. She was a great lady

I was so sorry to read about Marijke's passing in our local paper. I remember Marijke (I always called her Marijke) as our custodian at Upland's Elementary School when I was principal there. She was kind, caring and professional in everything she did. She never hesitated to do anything you asked her to do. She and Maria Qualizza, her friend and custodian partner, were a vital part of our school team. Marijke always had the warmest smile and would quietly go about her job. I appreciated her everyday.

I also had the privilege of teaching her wonderful granddaughter Virginia in grade 4 at Clarence Michiel School. On a final note I was impressed and amazed when Marijke told me she was riding a motorcycle in her retirement - I think she was pretty proud of herself! She was a wonderful lady and I

was fortunate to have known her.
