Relation: Choir, alto section

So very sad to hear about Marilyn's passing. I have been singing with her for over 10 years now. That lovely alto voice, just a couple of feet behind me on my left, helped lead me to the right notes. And what a wit. I will miss her.

**Tribute from Marilyn (Wedley) Anderson**

Relation: School friends.

I am sincerely saddened by the passing of Marilyn and offer my condolences to all her family. We were long time friends during our school years in North Lonsdale until our graduation from North Vancouver High School in 1955. We met at subsequent grad reunions. She was a kind, special friend to me and to all who knew her. I treasure the memories. The "other" Marilyn.
