Dear Marie, Todd and family:

Sincere condolences on the passing of your son and brother Mark. Our families have been friends for a very long time. I remember when both Todd and Mark were born and how happy you and George were. I cannot imagine life at the restaurant without Mark. RIP Mark...you will be missed.

Tribute from Barb Derksen

Relation: Seems like forever!

Marie & Family,

I always remember Mark from when I worked at the restaurant all those years ago. Mark was such a shy little guy growing up, he would blush beet red when he talked to me. He was a gentle, humble young man, very polite. It is incredibly sad to hear of his passing. It must be devastating for all of you. My thoughts and prayers are with you all.

Tribute from Carlos Serra

Relation: friend

To the Crucetti family: Mark, you embodied that rarest form of compassion wrapped in the guise of your impenetrable exterior, you demonstrated restraint and self-discipline in a town with few other examples, you looked after others when most of us failed to care for ourselves, and you did all this through the simple and profound act of friendship and for this I thank you.
