I met Marlene when she joined Sage Valley Voices. She was a lively spirit and bright light. She was emcee for a few concerts and as enjoyed singing...So very sorry for your loss. I saw both you not long ago in the grocery store and she looked so happy. She's still a star shining bright in the sky.

Tribute from Beckett Family

What a privilege it was to share a cup of tea (and a few too many treats) with Marlene and Arthur on a Sunday morning after the church service. I hope you both knew how much we enjoyed listening to your stories, how much we appreciated your loving words of guidance to our children, and how much we valued the time you spent with our family. Marlene you will never be forgotten. Arthur you are in our thoughts and prayers.
