**Tribute from Laurie and Jim Dutkewich**

Relation: I'm his sister

Our thoughts are with you Deleyne and Marshall Jr.

I know Marshall treated all his clients the same way he would treat his mother, with the utmost of respect. If Marshall worked on your vehicle, the work needed to be done. He went beyond the call of duty as the saying goes. He loved his work and his family. He wil be missed by all.

His friends meant a lot to him and you know who you are, Thank you for the support you gave him over the last few years.

May he rest in peace. Love you like a brother, Marshall!

Laurie

**Tribute from Ray Janko**

Relation: Friend

Marshall truly was a real good guy. I had known Marshall well as a best friend, fishing and hunting buddy going back some 30 years. Even though we drifted apart over the years, every time we got together we picked up right where we left off. Marshall will be missed by many. Deline's description of Marshall says it all. Ray Janko
