

REMEMBERING
Marshall Hunter

November 19, 1951 - August 20, 2009

HUNTER, Marshall Scott

(1951-2009)

My dear husband and best friend passed away after a battle of health issues on August 20, 2009.

Marshall was a dedicated transmission technician at OK RV Centre for many years.

In respect, I hope he will always be remembered for his work effort, and his kind and gentle way.

Rest in peace, Honey, love you, XO.

Many thanks to Joe Simoes for his positivity, strength and generosity.

No service by request.
