### **Tribute from Egon Weger**

Relation: Family Friend

Your Mom had a wonderful live with family and friends. May your loving memories give you peace during these trying times. Interesting we become our parents over time and as we age we are continually reminded of the good life and sound moral base our parents gave us. Bless your Mother and your family.

### **Tribute from Diane Karpinsky**

Relation: Friend

Our thoughts and prayers are with all of you. Mary was a friendly, caring and loving woman. We had many laughs with your Mom & Dad when we use to go and get water across the road from them. If they were home they would come out and we would have a nice visit with many chuckles. Cherish fond memories. We know you have many. May God bless each and everyone of you daily. Lovingly,  
George & Diane Karpinsky
