**Tribute from Ron Hamel**

Relation: friend

It was with sadness that I read the obituary of Mike. When I think of him I see a laughing kind face. I am not surprised to read that his family came first. I am sure that you were all easy to love. Mike was the kind of man that I would have love to have as a close friend. The community was a better place with him in it. Sorry for you loss. Ron

My deepest sympathies to you and your family, Dave and Crystal, as we are never really ready and we never really 'get over' our loss. May your many lovely memories sustain you, for now. Know that you will live with your dad's love forever. Take care of each other, Marsha
