Tribute from Shawn Goodsell

Sorry for your loss and condolences to the family. It was only recently when I heard about Michael's situation and was shocked and wish I had a chance to talk to him this winter.

I met him back in the late years of High School when I frequently came down to Oliver area from Penticton to hang out with friends in the area. He was always a nice guy and we would talk more as years went on mostly because we played soccer with or against each other or just seeing each other at the soccer fields because of the kids soccer. It always seemed like we both went out of our way to at least say hi or see how each were doing.

Michael is a genuine person that had an even temperament that his family could be proud of. He will truly be missed by all and wish the family all the best in dealing with this difficult time. RIP Michael!
