Tribute from Earle & Evonne Atterton

Relation: We heard from Lillian Sutton

Dear Marie & Family: Vonnie and I are so very sorry about the news of Mike's passing. We have missed being around our neighbours in Osoyoos, especially Mike and you. Mike and I shared the same love of camping and fishing. Without a doubt, you and Mike are in memory as our best neighbours ever. In all those years, Mike was always a friend who shared his love for the outdoors with me many times.

Losing a life's companion is such a difficult experience. I well know the grief you are going through at this time. It will linger and be a part of your life for quite a long time, but will ease. The missing him will never quite leave, as memories will always remind one of the many years of happiness you shared.

If we can do anything to assist you or the family at this time, tell Lillian. We could drive over and help in any way needed. I have and will continue to miss Mike and you. You were always perfect neighbors and friends. Mike is safe and loved where he is now. And you have family to share your remaining years.

We will be in touch with Lillian, as we want to stay in touch. May our Father in Heaven bless you with good health and an understanding of the gospel of our Savior. We will be in touch someday. Thank you, Marie, for the great neighbor and friend you have been to Evonne and I. We have such great memories of our life at Casitas Del Sol, mostly because of such great friends and neighbors. God Bless you until we see you this summer.
