Tribute from Jim Mac Naughton

Relation: Friend

Dear Callie and family, i am saddened to hear of Morley's death. All through school he was one that I looked up to especially in the music program. The tuba that I took over in grade 8 was the same one Morley played, he even had his name in the case. His laughter and his great sense of humour meant so much to all of us that are just a little younger than he was- he was a good friend and all of us will miss him. Love and prayers to all of you.. Jim
