Tribute from Debbie Lapshinoff

Relation: daughter is married to my cousin

If one didn't know Nancy, she would talk with you like you were her neighbour of many years.... Nancy was the best story teller too; when she spoke you could visualize what she relaying. When ever I saw Nancy the first thing I would say to her how great she looked for her age. I always told her I hoped to look as good as she did when I got to be her at that age. Truly a remarkable woman!
