Granny was a very wise and caring person. It was a pleasure and a privilege to have her in our lives for so many years.

We loved her dearly and will miss her.

Our warmest thoughts are with you all.

Tribute from Don & Arta Selby

Relation: Friend & neighbor

What an amazing lady and what a life well lived!! We hadn't seen Nancy for a while but will never forget what a fantastic and vibrant person she was. Always had a good time with her (and your father) and had many laughs over a glass of wine. Can't help but remember Nancy learning to drive in the open space between her place and ours! Scared the living daylights out of our horse once and a while as she was learning....but what determination she had!!! I'm sure you all have some amazing times to remember. Our thoughts are with you all....a very special lady!!

Tribute from Judy Dallas

Relation: Friend and former "landlady"

Have known Nancy for a number of years - we have lost a real gem. She was always so positive, had a great sense of humour and was just one marvelous person. Saw her at functions at Mariposa latterly and we always had a nice little visit. She was so very proud of her family, always interested in their activities with love. You will all have treasured memories to share and cherish with the love you always showed to her.

Tribute from Lori Hetherington

Relation: Grandmother

We are very lucky to have had Granny for 98 years. She is one of the strongest women I have ever

known. I will forever cherish all she has taught me over the years. I take comfort in the fact that she is now with Grandpa, Aunt Glad and Debi. When Debi was sick, Granny stayed with our family to help take care of her. They always had a special bond, as can be seen in the photo. I will always keep this image in my memory and picture them like this now.
