Tribute from Lionel Hurst

Relation: General Motors Diesel

I was surprised and sorry to read of Neils passing. I worked for many years with Neil In the drafting department before I transferd to the Armoured Veicle product in a different building. We had a great group guys in drafting through the 70's and early 80's. Hard work at times but we had fun as well with after hours Baseball, some Hockey and bowling.

I remember Neil had a quiet sense of humour, you always had to be on your guard with Neil for you were never sure if he was putting you on or not.

I am sure he will be dearly missed by his family to whom I sincerely send my Condolences

Tribute from Kathy & Ron McConnell

Relation: Kathy Worked With Sharon

Getting confused here. Might have sent 2 messages and the same picture twice. Sorry for your loss, Sharon. The writeup in the London Free Press was very nice; of a man that obviously had good life,

but died far too soon. I hear BC is lovely; nice to have experienced so much and seen such a lot.
Take care of yourself and your family.
