**Tribute from Adelle Petty**

Relation: Erna Falkenberg is my mom

I was sad to hear of Nellie passing, but am glad that she will be without pain now. She was always such a good friend of my mom when we lived in Osoyoos and she always treated me like a loving aunt. She would be able to listen to my problems and help me sort through them. she was such a good seamstress and we were so poor and she always would sew clothes for me that made me feel so much more confident. She had a hard time to learn to drive her car with her good leg....I can remember some of the trials and tribulations and she overcame them all and ended up being a very good driver. She would always be there to help if we needed her, and I remember the apple strudel!!!! She had such gorgeous red peonies - there were so beautiful..... I remember she had a TV before we did, and we would go there and watch some TV on a day on the weekend.....it was such a special time. She lived so close to my school and I'd sometimes stop in and visit - she would always welcome me. My mom loved her like a sister, and they were so very close. i sincerely admired her strength and understanding. My condolences to her family  
Adelle
