### **Tribute from Wendy Vandembroeke**

Relation: friend

Both Richard and I were sorry to hear of Norman's death but we know that he is very much alive at the Saviour's feet. We have some really nice memories of him and of course Vivian always welcoming, loving and kind to us throughout the years. Particularly thankful that he was one of the many who liberated Holland so many years ago for my husband's family's sake. We were blessed to be a smidgen of his life. Much love, Richard and Wendy Vandembroeke
