My dear Elaina:

I am so sorry for your big loss. From the bottom of my heart, I embrace you dearly and send you my deep and sincere condolence with Love and Friendship. Please extend it to Keith, Peter, and David. I met Pat and Elaina in Mirtos Greece about 50 years ago and I learned how deep and meaningful their relationship was for each other. I think you were much more than sisters, I have admired you since.

I feel fortunate to have been in the same place at the same time with you both in December of 1973, I'm very grateful.

We shared Christmas in 1973 and, when I left after some tears of all, we said so long, didn't say goodbye.

Who would have told us that after so many years we are still in contact. I am very impressed.

We really hope that soon you will be able to find consolation and resignation.

Sincerely: Felipe and Gabriela García Naranjo.

Tribute from Marion Carras

Relation: Lifelong friend

I am truly grateful to have had such a wonderful dear lifelong friend. Pat was more like a sister to me. I miss her so much and Rick and I will keep her in our hearts forever. Memories of rigatoni nights, bocce bitch tournaments, talking on the phone until the wee hours, her amazing sense of humour, her brilliance, her ability to create questionable videos involving mussels, and our wonderful trips to Italy together. So many amazing memories. Rick and I are heartbroken for Keith. We send him our love and support. Our hearts are also with the Mauro family who have been such a huge part of our lives, Rest in peace dear friend. Mare

Tribute from Ronna Dick

Relation: Life long friend

We are truly heartbroken over the loss of our dear friend. Words can't express the deep loss we all feel, including our girls , who also share so many special memories of Pat, her family and summers in Oliver. Not many people can claim beautiful friendships as long as ours. We went all through school together and worked, travelled and lived together. Sincere condolences go out to Keith and all the Mauro family.

Ronna and Keith

Tribute from Heather Duff

Relation: 2nd cousin (Barb's daughter)

Thank you for the opportunity to watch the service online. I always enjoyed Pat's warmth and wit, whether at Meatball Fest or Christmas Eve at Elaina's. Enfolding Keith and family.

Tribute from Erin MacKinnon

Relation: Pseudo niece? Will need to consult David.

Beautiful service. Thinking of you Uncle Keith and the Mauro family who have lost a beautiful soul in Auntie Pat. So many formative memories from my childhood have been in that house on the lake - Pat tending to the pasta on the kitchen stove (wine in hand) Chance (the dog) running about the house and Keith returning from a golf session, the smell of summer peaches.

Thank you Pat for bringing joy and colour to my childhood. Love Erin, Jim (husband) and Eden (daughter)

Tribute from Janet Freeman

Relation: Cousin.

So nice to hear the stories about Pat. A big loss to the family and her many friends. She was such a warm and generous hostess whether in Houston or Oliver. Dave and I are looking forward to the Celebration of Life in April.
