Tribute from Theresa St. Jacques

Relation: Tish was married to my first cousin, Ray Tessier

Ray, there are few words to express how I feel for your loss. Even though we didn't see or talk together over the years, you and Tish were always in my heart and mind. I am so very happy that you were both able to spend a part of your retirement travelling the countryside; how exciting. May the path forward be smooth knowing there are many family and friends who will have you and family wrapped in our thoughts and prayers as you make your way. Take good care of yourself. May Tish now rest in peace.

Tribute from Kathy Martin

Ray I know Tish was the love of your life and have fond memories of her and will remain with you always. My heart, thoughts and prayers are with you at this time of deep sorrow. Sincerely, Kathy Martin

Ray, only you know the grief which lies within you, Linda and I want you to know that we are there for you should you ever want to talk. We will remember Tish as a happy person with a ready smile. Yours in comradeship.
