The Nunes-Pottinger Funeral Service & Crematorium Staff send our condolences to family and friends.

**Tribute from Ron Kalenuik**

Relation: Friend of 50 years

Paul was man of challenge, he always strengthened me to think beyond the norm, right, wrong, or somewhere in between was always the question. Challenge the thought process, and an adventure would insue. I miss those events as I will miss him. His body may have been limited, but never the mind. Late were the nights we would converse. Enjoy the challenge in your new residence my friend.

**Tribute from Sally Lindley-Jones**

Relation: Physio

Thank you for such a beautiful service celebrating Paul's life on earth with us, highlighting his years of tolerance, suffering and strength, non of which could possibly have been achieved without the extraordinary love and care he received from his family

Paul has taught me so much, his wisdom and appreciation of his struggles has enhanced my professional and personal prospective to life
