Tribute from Jan McTavish

Pearl was a great friend to my mother at Sunshine Ridge, and I am very sad to read of her death. I am sure that everyone who met her, liked her — she was just such a nice person. My condolences to her family.

Tribute from Lori (Rubner), Ken and Steven Brown

Relation: Niece

My Auntie Pearl was one of the most special people, and the world has been a better place for her being in it. Auntie always told me she'd live to 100 and I would have lots more time to visit with her so I'm sad I didn't just have one more chance. My heart is heavy for Donny and David and their families, and my thoughts are with you as you process this loss. I'm sorry that I won't have a chance to be there to rejoice in her well-lived life on Friday, but I will be there in spirit. and will always think fondly of Auntie Pearl for the remainder of my days.

Tribute from Leian Bruno

Relation: Niece

Donny, David and families,

How blessed were we to have an Auntie Pearl? From medicine mixed in a teaspoon of jam, to an endless supply of hugs, how lucky has my life been to have been loved by her. She would be the first to say she lived a full life, but for us, it will never be long enough. I am so sorry for your loss, but know that Auntie Pearl and Uncle Johnnie are rejoicing together.

Love Leian

Tribute from Jerry and Sandra Albo

Relation: friend

A life well lived. Over the 50 years that we knew Pearl, she was a very caring and friendly soul. We got to know her through curling and whenever we saw her in town. We were always chatting and enjoying her. We got the chance to see her in her later years whenever she was out and about at Sunshine Ridge and we marveled that she never changed in all the years we knew her. God give you strength. Jerry and Sandra Albo.

Pearl had a wonderful affect on me. Bright, happy, sensitive and brave. I will miss not seeing her in the neighbourhood and at church.
