Hello Helga. We are so sad to hear of Peter's passing. His picture in the paper brought back many memories for me. All the times we met when farming.... The day Peter came to me & said you wanted to sell and for me to have the farm... The conversation in your kitchen later when we closed the deal by shaking hands... having a summer drink on your patio as a break from work... and the images go on.

Peter had & has a big impact on my life. I was brought up to be honest and hard-working and Peter exhibited those characteristics every day. Our almost daily contact and his unwavering cheer & good character reinforced for me what every male should aspire to.

Peter stands in a select group along side my Father and brother and two very good friends as one of the best men I will ever have met. You and the family have every right to be very proud of Peter & his legacy.

Good fortune to everyone.
