Dear Dan and Family, my deepest condolences to all of you. I am heartbroken to hear of Phyllis's passing. I going to miss the phone visits I had with her, they were always so enjoyable as she shared the tales of her activities with you and the family. Her laugh was so infectious I could see (hear) her brilliant smile. As you journey thru this sad, difficult time may you draw comfort and healing from those

around you and the memories you have of the times spent together.
