

REMEMBERING
Queenie Connell

November 20, 1933 - October 21, 2024

Queenie, beloved wife of the late Jimmy Connell, and much-loved mum of Ian, passed away on October 21st, 2024, at the age of 91.

Queenie was an avid knitter and a huge cat lover. Her granddaughters Rio and Cydney always brought a smile to Queenie and great-grandchildren Bodhi and Yael always brought out the one-liners she was famous for.

Her unapologetic spirit will live on with the people she loved.

Rest in peace beautiful Queenie xoxo
