Tribute from Tex and Judy Dallas

Relation: Friend

We have just read our local paper and were very saddened to read of John's passing. Think we both met John back in the 60's and are ever thankful to him (and Anne) for putting us in contact with local people to find our current residence. John was always a gentleman, honest, helpful and with a great sense of humour. All who knew him have fond memories. We are sorry that contact was lost due to personal health issues. Our sympathies to the family and friends. Am sure he is on a perfect golf course or cruise and making new friends.
