So sorry to hear the news of your dear husband, Reg. Just read the obituary and what caught my eye was , "Reg lived his life with dignity and integrity." -How true! Condolences Eunice and family on your loss from my mom and I. I had the privledge of knowing Reg and always found his advice sound. I recently was digitizing dads old slides and came across photos of one of your visits to the house and of a vacation in the south. Kindest regards, Chris & Isabelle Fulsher
