Relation: my husband,don,was in haven hills , he just passed on january 16/18

My deepest sympathy Allan to you and you and your family. I am sending my prayers and thoughts at this time. I so enjoyed my visits with you and Rena in the Bistro. She always had such a big smile and a welcome hug for me. Thank you so much for taking the time to sit with me and chat, it helped in those awful days. I wish you and your family all the best and I hope that you will take care of yourself in the time to come. I will always hold a special place in my heart for Rena and her big smile and also for you and your kindness. Take care and know that Rena is now in a better place. She is at rest and in peace. Now you have to find that peace too. God bless you Allan and God Bless all of your family. Hugs. Berdina Martin.

Relation: Acquaintance only

We wish to extend our condolences to Allan and family on the passing of Rena. While the acquaintance was limited to time spent together in Haven Hill, we were daily impressed by her strength, evidence of the very full life she had enjoyed, and her contribution to husband and family. With great respect.
