Thinking of you Marina and the children during this difficult time of loss. May the sorrow you feel in your hearts lighten thru the love Rick had for you and the children. It seems that life passes us by so quickly and only for a moment we are here, but what an imprint Rick left in our lives, his footprints have left a piece of him with all of us who knew him. He was so positive and adventurous, funny and full of fun, his hospitality and loyalty towards his friends will never be forgotten. He is gone from our sights, but will live on in our hearts. RIP my friend, loved and forever missed.
