Liz, Dale, Jerry and families
So sorry to learn Rick has passed away - sincere condolences to you and your families.
I did not have the pleasure of knowing Rick In his adult years. I can't remember any specific things he said or did when we spent good times in our teens and twenties. What I can remember, and know would have been durable - is how Rick made people around him feel. Rick made those around him feel good. Kind, complimentary and funny - that's what I will remember.

Special thoughts with all.

I was shocked and saddened by the sudden passing of Rick. He had a very kind heart and a great sense of humour. One of my memories was the time a group of us went to the drive-in and they got me to ride in the trunk of his car to save a few dollars. Then I got scared they weren't gonna let me out, but they did.

So sad to hear the loss of my former team mate and friend. Ricky stayed with me when he was living in Fruitvale playing hockey. So many good memories. My dad did his laundry because he had a habit of leaving money in his pockets. God bless you all
