Tribute from Brian J. Walker

Relation: Former co-worker

Dear Pat and Family,

We are so sorry to hear of Bob's passing. Working with Bob was always an extreme pleasure. He was the rock of our admin team. He always provided us with support, guidance, and expertise. Yes, he could be a little 'crusty' but he possessed a wonderful sense of humour and loved a practical joke. Yes, he will be missed.

Dear Pat and family - I'm so sorry to read the sad news of Bob's passing in the paper. He was quite the adventurous, fun-loving guy and loved you deeply Pat. Please know how much you are in our hearts and prayers. Love Deb (& Randy)

Tribute from Keith Ainscough

Relation: Cousin

It's likely no one reading this will know who I am though I did meet Brad and Scott a few times when they were young. Bob was my cousin, and need I add, my favourite cousin for reasons you will all

understand. He was an original, and I have some favourite memories. My condolences. I'm sure you will miss him dearly.

Dear Pat, I am so very sorry to hear of the passing of your husband. Even though I met me just a few times, I'll remember him with kindness that he showed to everyone!

You both shared a zest for life and it showed in all of the trips and adventures that you took together.

Though he is no longer here, his Love and Memories will continue till live on! My Thoughts and Prayers are with you at this time!

Tribute from Noreda Ainscough Lytwyn

Relation: cousin

Pat and family, saddened to hear of Bob's death. We were closest when we both lived in Woolford. I was 6 years younger and stayed with his family when my brother Keith was born. He must have been vexed by me following him around. In later years we would meet when he visited his brother Gordon in Richmond. Fond memories of Bob.

Tribute from Sandra Millis

Relation: Friend

I am sorry to learn of Bobs passing. He was a very good friend and colleague at LCI to my late husband. I will remember our great rides on the BMW's and the support he provided when Wes died.

Tribute from Don Selby

Relation: Friend

Pat.....just found out about Bob today.. So sorry to hear as I know how close you two were. The last time we saw you guys was up at the racetrack in Osoyoos and was so great seeing you both. Bob really was a character and such an honest and decent man. I always enjoyed and looked forward to his numerous visits at the office. Always made my day when that smile would walk through the door. A great man who will be missed by many. Take care and hopefully will run into you next time we're in Osoyoos. Don & Arta

Tribute from Bev (Fisher) Reich

Relation: Bob was my junior high basketball coach at Gilbert Paterson and our paths crossed many times over the years...

Dear Pat, Brad and Scott,

I was so very sad to see Bob's obituary. I could not even read it for a few days as it followed so closely after my Mom's death in June. I have so many fond memories of Bob, not just as my basketball coach and my administrator when I taught at L.C.I., but as a truly wonderful person, who I admired and respected so very much. I remember so well his sense of humor and laugh! Brad and Scott, you will not remember me but I used to babysit both of you! I hope all of you are doing "okay" as I know that there never is a "right time" to lose someone you love.

Pat, I hope that you are surrounded by loving family and friends...Knowing both you and Bob, I am sure that you are....Take care...Bev
