On Monday, March 18, 2024, Mr. Robert "Bob" James Beacon of Keremeos, after many years of suffering chronic pain passed away after a short battle with cancer at the Penticton Regional Hospital at the age of 72 years.

Bob will be fondly remembered by his loving family including his wife of 48 years, Wanda; son, Mel (April); daughter, Tonya and grandsons, Brody and Jordan.

Bob had a long and fulfilling career working for the Department of Highways and Argo Roads for 32 years.

He enjoyed watching golf on TV and having coffee with his friends. His dedication to family and his jokes and laughter were shared by many and he will be missed by everyone that had an opportunity to have know him.

The family would like to thank Dr. Louw and everyone involved who helped care for Bob in this short time. We would also like to give a special thanks to John, Daryn and staff at Nunes-Pottinger Funeral for the guidance and compassion they have given.
