Tribute from Buckie and Maureen

That little grin of Bob's always put a smile on my face as the garage door would open. Bobby (our dog's name) would be crawling under to see him, for his treat. One of many happy memories. Sending our Heartfelt Condolences.

Tribute from Madeleine Mainville

Relation: Younger sister

My deepest condolences to Kate, Robbie, Lisa and family. God took you too quick Bob but you are in a better place, no more suffering. You will be missed as a husband, father, uncle, brother. I remember when we went to play bingo when you lived in the Highland apartment and the dabber was not the greatest and you told me to put the bottle upside down and dab it and the ink sprayed all over you and your card. A few more memories I can talk about but would be too long. You rest in peace my brother we love you.
