### **Tribute from Bryan Budge**

Relation: Nephew

Erika and I were very saddened and shocked to here the passing of my Uncle Bob. Although he was a distance away we chatted on the phone periodically.I will miss his conversations and his laughter and sense of humor he had towards certain things with life. Bob was always welcoming us to come to stay with him and visit. I'm happy to say we did last fall. He will forever be remembered as my uncle Babo. RIP Babo
