Tribute from Jim MacNaughton

Relation: friend and former minister

Dear Howard and family, it was with great sadness I read Rowena's obituary- She loved life and was a great friend and a great person for her family and her church. I have often thought of both of you over the years, but only with the fondest of memories. She does fly on, whether on swallows wings or the spirit filled wings she has now- God speed dear friend" And He will bear you up as on Eagles wings" ... with love.. Jim

Tribute from Eva and Bob Porteous

Relation: friend

Dear Howard

Eva and I were very saddened to read the notice regarding the loss of Rowena.

While it has been more than two decades since you and I saw each other in Hull in May of 1988 (according to my diary), I still recall how close the two of you were.

I recall Rowena as always being upbeat and positive, and never at a loss for words.

For some reason, I have a fairly clear memory of the time I (inconsiderately) hitched a ride to Calgary with the two of you in your Rambler. It was packed full of your effects and my added presence must have made it quite uncomfortable for you all the way from Regina.

Of course, I remember your wedding in High River where you honoured me by inviting me to usher.

I know you will miss her terribly.

You and I have known each other since our days at Mount Royal College and OU, including the stay with the Shultz family in Norman.

Soldier on, my friend.

Best personal regards,

Eva and Bob Porteous

Tribute from Wendy Herle

Relation: friend

It was with a deep sadness we learned of Rowena's passing. We, her Smitty's family, will always remember her as being a very special lady. She always came in with a warm smile and kindness was her way. She always helped with our toy drive every Dec so we got to know her and love her. She will be missed and we send our sincere sympathy to Howard and all her family. The Herle Family

Dear Howie & family,

We are so sorry to hear of Rowena's passing Osoyoos. Rowena and I (Carol) were in Stettler Oilwives together and visited back and forth in Calgary after we all moved there. She was always lots of fun and we very much enjoyed her company.

She will be sorely missed by all.

Love, Carol and Jack Moore.

Tribute from Stan Law

Relation: Friend of the family

Guyn Family - so sorry to hear about Rowena from Mom and Dad. I will always remember the early days when a trip to Rimbey or Stettler to visit the Guyn's was always a highlight of fun, mischief, tons of food and laughter. Later on in Calgary (usually during Sunday night bridge game), I always was catching up on what the Guyn kids were doing now. She was very proud of her family. I will always remember her constant smile and laughter - she was always a happy person. God bless Rowena Stan, Sandy and family

Tribute from Carol, Chris and Cameron

Relation: Neighbour and friend

I will sadly miss my neighbour and friend. She was always there when I needed her with good advice.

Rowena loved her garden and she has always helped me out so much with my garden when I wasn't sure what was a weed or a flower. I will miss her bubbly personality and smile. It has been a pleasure knowing her, meeting her children and grandchildren over the past few years and knowing how excited she was to have her family visit during the summer months. I will really miss you Rowena, but I know you are in a better place now! Don't worry, I'll keep an eye on Howard to make sure your garden is perfect! Miss you lots! xoxox

Tribute from Cherrie (Compeau) Coombes

To Howard and family

I was shocked to see the obit in the paper...I didn't know Rowena well but what I knew of her was her happy smile and being so friendly and helpful. The Soll family and Compeau family have many early wonderful Osoyoos memories. Howard and Rowena were so caring and supportive when my Mom, Marjorie, was ill. My thoughts and prayers go out to your families at this difficult time. Trust in God's timing for healing your hurts. Howard, I look fwd to seeing you in the front garden when we are back in town. Cherrie and Bill Coombes
