Grandpa I will miss you so much. Thank you for always being there and encouraging me my whole life. You and grandma mean the world to me and always will. I love you both so much. May you be together and at peace. God Bless.

Tribute from Daniel Huzyk

Relation: Through business dealings

Condolences to all in the Fleck family. I am but an acquaintance who initially met Ruben (and Marie) through Fourway Foundry when I needed some ornate handles reproduced for a fine piece of furniture. We discovered that we lived in the same general Vancouver vicinity, and Rueben subsequently engaged me to do some property appraisal work for him. He was an interesting and considerate gentleman. May his soul rest in peace.
