Tribute from Louise and Mike

Relation: we were his customers for years, and I worked with his grand daughter Dawn.

We knew Rudy really well, and bought all our furniture from him. We are actually still using a freezer we bought from him in 1973, it is still working, amazing. Our sincere condolences to the family, RIP Rudy, you had a good and interesting life. From Mike and Louise Krekic, now of Penticton.

Tribute from Diana Thomas

Relation: Friend

So very sad to hear the passing of Rudy. Have so many fond memories as well as his words of wisdom. I can remember a few times it would be Christmas eve and dad and I would be in the store, near closing time, to pick out mom's gift. Not only did Rudy help us pick something out but would deliver it on his way home. I will miss your hugs. My condolences to the Miller family.

Tribute from Garry Miller

Relation: Rudy was a great friend. We had coffee together many times at A&W and Tim Hortons.

I am very sorry for your loss. Rudy will be missed by many. He was a great friend. Please accept my deepest condolences at this time. May the Lord be your strength at this time.

Tribute from Sheila Fesser McPhee

Relation: Church family

Our family knew Rudy well through Church affiliation. The Millers are a great family who have served their community so well over all the years in Osoyoos. Rudy was the epitome of "a good man". Well done, thou good and faithful servant, Matthew 25:21.

Tribute from Judy Dallas

Relation: Through his business in Town.

Have had the pleasure of knowing Rudy, and a number of his family members, since 1990.

Purchased carpeting, flooring, furniture, etc. from him then and the working relationship continued for many years when I was working. He was the epitome of a gentleman at all times, very engaging in conversations, and honest as well as being considerate and fair at all times. Am sure his family will have so many memories to cherish always. Rest in Peace, Rudy

Tribute from Jim and Brenda Johnston

Rudy was always so welcoming and mentored Jim during the course of his aviation career. Rudy was well respected in the community and was loved by many. May he rest in peace and soar with the angels.

Tribute from Joel Nantais

Relation: friend

My friend and statesman figure, Rudy, and I met while having coffee and reading the newspaper w/i a week of me arriving in Oliver. After both of us seemingly realizing there was little in the newspaper of interest (other than his comics) we made eye contact at which time he invited me to sit with him. The best decision I made in Oliver was to accept his invitation. His warm eyes and famously popular smile made the decision easy for me. For many ensuing years we enjoyed each others company, often with coffee, and sharing our lives from the past to the present. Rudy would often have a moving, feel good story with a message or one which would inspire laughter.

Rudy often shared with me his rock solid faith which was evident in his word for word reciting of major and favorite passages from the bible as well as his day to day life actions. Rudy had a life passion to make a difference in other peoples lives by making himself available to assist whenever he was requested or he thought he could make things easier or better for someone. He evidently instilled this in all of his children whom all have inherited this same gift. A thank you and a smile was his reward. Rudy will always be remembered by those of us touched by his profound presence. To know Rudy was to meet him, his trustworthiness and sincerity were evident in his inviting smile. He spoke warmly and often of his wife and partner Doreen which always generated a smile. I wish to extend my condolences to Doreen and all of Rudy's kind family.

Tribute from Judy Sollows

Relation: Married to our mom, Doreen Miller

As the children of Doreen Miller, we would like to extend our heartfelt sympathies to all the Miller family members. Although Judy and Paul have not had the pleasure of spending time with Rudy in person, Jenny has met him, and formed a bond the instant they met. Jenny felt that she had known him forever. We have all had the opportunity over the years to speak with Rudy on the phone when we have chatted with our mom. His kind voice and thoughtful words have given us peace in knowing that our mom is loved by such a wonderful man and surrounded by so many of you all. We thank you all for including her into your family and showing her such love. Your dad must have been an amazing

dad , from the stories we have heard, and from what we have read, he has spread his love and kindness throughout you all. May you all find peace in knowing he had a wonderful long life, filled with happiness, joy , family and two wonderful women by his side. Know that we feel your grief, as so many do who are grieving with you , for those who we have all lost. We wish you comfort and peace to face the days ahead , and loving memories to hold in your heart.

Love from,
Jenny , Judy & Paul

To the Miller family. We were saddened to learn of Rudy's passing. Over the 50 years that we knew him he always had a happy greeting, and a kindness to be admired. When we first came here, we got to know him thru curling and the two summers I worked for him. He was great to deal with in business. We can be thankful for a life well lived.

Our condolences to all our Miller cousins. Uncle Rudy was a wonderful man. he would drive to visit us in Edmonton and he would always bring a tool box. He would always tell us to have something to fix or build to keep him busy, from fixing my dishwasher to putting lights in my daughters house. He never stopped helping people. We loved all of our visits to Osoyoos and Oliver. He will be very missed by our family. RIP Uncle Rudy and I hope you find a great tool box in heaven. Love Rick & Jackie Miller
