Dave, Jenn & Mike,

Our hearts go out to you and your families. I have so many great memories with Sandy. She was a wonderful person who absolutely loved her family and opening her heart and home to so many of us strays. I have fond memories of pries of visiting at Christmas time and especially stopping by for garbage rolls. The conversations in the kitchen were full of laughter. May you all find some peace in the memories you all hold in your hearts.

Hugs, Trish

Deepest Condolances to the Janzen family !

Will certainly miss seeing Sandy in the neighborhood. Enjoyed our casual chats within our street & occasional morning grocery shop run ins.

Sandy always was friendly and outgoing towards Danny, myself our children & grandkids, making an effort with her warm smile, wave, or chatting with our grandkids on the front lawn.

One year for Christmas she gave us a small bottle of homemade Irish Cream to enjoy , it was delicious and she was enthusiastic to share her recipe.

We shared common interests such as loving our families, animals , and camping !

She had a lovely personality & will be missed by many ! R.I.P Sandy !

I recently chatted with Sandy after not having seen her for many years. We were once neighbors and my girls played with hers. We chatted as if no time had passed at all, her friendly smile and humour hadn't faded a bit since our last meeting. I am sure her passing leaves a massive hole in your family but cherish all the wonderful memories you have. Sending your family condolences and hugs.
