Tribute from Ernest & June Phillips

Relation: family friend

Dear Lillian & Family:

Ernest and I were so sad to hear of Sarah's passing. We have lovely memories of Sarah, especially in her youth. Having lost our youngest daughter suddenly, we understand the profound sadness that accompanies losing a child and sibling. It's difficult to say goodbye under such circumstances and our heart goes out to all of the family at this difficult time. It's comforting to know that she won't have to suffer any longer and that someday we will be reunited with our loved ones. We trust that your family will be blessed with the "peace that surpasses understanding" during these very sad days.

Love ,

Ernest & June Phillips

Tribute from Gayle and George Cornish

Relation: friendship

Dear Lily, Charlotte and family,

We were shocked and saddened to learn of Sarah's death. I have such fond memories of her at the Cultural Festival. She seemed such a happy and spirited person, always laughing and smiling. At least that's how I will remember her. May you find comfort in the support of your many friends and in your God.

Sincerely, Gayle and George

Tribute from John & Sharon Surovy

Relation: friend

We are sending our deepest sympathy to Lillian and all the Allen family. We have very fond memories of Sarah and our Michelle, who went through elementary and high school together. Sarah was always smiling and had that cute little laugh.

Our condolences to all your family.

Tribute from Michelle (Surovy) Pratt

Relation: Friend

I am so sorry for your loss. I have known Sarah since we were young girls. We grew up together, and I will always remember her as the popular, happy, sports-minded girl that she was. Over the years we would see each other, and it felt like we were those silly girls back in school. She will be missed very much!

Tribute from Krista Niven-Lahey

Relation: friend

My thoughts and deepest sympathy are with all of Sarah's family at this sad time. She was one of my first friends when we moved to Oliver in grade 2. I have many wonderful memories of our friendship over the years that include time together in Kelowna & Calgary after graduation. I am saddened by her passing - my prayers are with you all. Love Krista

Tribute from Jim Macnaughton

Relation: family friend

Dear Lillian and all the family-I am very saddened by Sarah's death. What a wonderful young woman who gave all of us such unconditional love, from the time I met her as a very young child on the potato farm, to the very professional woman I was able to visit some years ago down in Chilliwack. All of you hold a special place in my heart and memories and all I can offer you now is my love and sympathy. Until we meet again... love to all. Jim

Tribute from Anita Unrau

I am so sorry to hear of your immense loss. I worked and became good friends with an incredibly vibrant, brilliant Sarah. I have many great memories of Sarah at CIBC in Chilliwack as well as a personal friend.

Tribute from Mary Wilber

Relation: My Sister

Dear Family

I am going to miss my Sister, Sarah. I look at my phone and I feel sad...over our adult life together we kept in contact by phone and spoke almost weekly together, especially over the last 8 years. We made memories together that will last my lifetime. I am comforted with the belief that I have a forever family. I know I will see my sister again, love you Sarah and I miss you. Safe travels, until we meet again.
