### **Tribute from Bob & Lia Pinske**

Relation: Friend

I first met Shirley when she used to come to Gerard's with her husband. Her and I clicked right away! She continued our friendship when I began work at Dollarama! She was a great support. When she moved to Heritage House I would visit with her when Valley did church services there! Always went to her room to get her! Loved her and I'm so sorry I couldn't see her in Sunnybank. Our condolences to the whole family!

### **Tribute from Michelle Crozier**

Relation: Mother to our best friends

Dearest John , Nancy and all the family,

Our deepest condolences on the loss of Shirley.

She was a wonderful human being who was so welcoming to all who visited her home. If more people were like her the world would be a better place .Colin fondly remembers trips to Birch Bay and I always remember the trip to the orchard when they first bought it. Our love ,thoughts and prayers to all. May knowing others care help ease your pain . Hold onto on those wonderful memories and she will live brightly in your heart forever . Love Michelle and Colin
