We always enjoyed being around you when we were both in independent living. You always made the day a little nice just because you were in it.

Relation: Janet's mother

I have known Janet for most of my life and only found out a couple of years ago that her mom's name was Sophie. She was always Mrs. Bengal to me.

My deepest condolences to Janet and Richard and to all of Mrs. Begal's large family. I just can't call her Sophie. May she rest in peace.
