Tribute from Russ Rorvik

Relation: drove truck together

Sandy and kids, I'm so sorry to hear about Stan. Read it in the paper this morning. Wished I could've been there yesterday for you. I have many fond memories of us hauling lumber & beer together. Not to mention all the fun times I had at your place. My heart goes out to you all. Call me if you need anything,

Relation: i work at BDL poco

Stan was a great guy whom I talked with often about our gardening etc. he was always quick to bring cherries and fruit for anyone at BDL who just asked him to. That's the kind of guy Stan was. He is sadly missed by all of us here at BDL poco. and our hearts go out to his family and friends. Sincerely yours
Andy Pidhany.
