Tribute from Bob & Mary Dossett Slobberjaws & Vixen

Relation: desert friends

Carolyn & family,

When I see Stuart's photo, I see him watching or reading about NASCAR, oh how he loved those fast cars. We could talk for hours about those cars. I hope you get the flashiest & fastest car up there, I'm glad I had the pleasure of knowing you, start your engine :)

There is no way I can sit here and explain the loss of a desert friend. As we grow older and retire some of us are lucky enough to be in a place where friendships matter. At this place and in my time I met Stewart. He was straight forward and honest enough to win over an old coot called Slobberjaws. I also learned that Coachmaster was a perfect "Handel" for him. I hope that when he hears my name at thqt rollcall up yonder. He remembers Slobberjaws Bob
